

Guy Doherty Aircraft Maintenance

presents

15th ANNUAL SERVICE SEMINAR

Tuesday, June 2, 2015

Owen Sound Billy Bishop Regional Airport

Hangar Line

1300 hrs – 1630 hrs

Guest Speakers:

- **Will Boles/Rob Gillespie - Reducing Flight Operations Risk**

Transport Canada Civil Aviation Safety Inspectors will provide a scenario-based safety presentation covering a variety of normal, abnormal and emergency decision-making scenarios geared towards reducing flight operations risk. This interactive presentation will sharpen your decision-making skills and increase your awareness of flight risks.

- **Wayne Juniper - Aircraft Maintenance Issues**

DO NOT MISS THIS EVENT!

*Attendance at this Service Seminar will qualify you for the
Transport Canada 2 year Recency Requirement*

⌘ **Complimentary BBQ 11:30-1pm (at Hangar Line)** ⌘
⌘ **Door Prizes** ⌘

*So come on out and have some lunch with “fellow Aviators”,
Sign in for the Seminar and enjoy an informative day!*
